

SAGAPONACK COMMON SCHOOL DISTRICT

CODE OF CONDUCT

Mission Statement

The Sagaponack Common School District and its community are committed to the belief that all children have the right and should be provided the opportunity to achieve excellence in educational pursuits. The District is to educate students in the values, critical skills, and essential knowledge necessary to be informed and responsible citizens, prepared to take the next steps in their education, careers, and lives in our diverse society.

School Hours

School hours are from 8:00 a.m. until 2:30 p.m. each day. Students should not arrive earlier than 7:55 a.m. unless they are participating in a supervised activity.. Students who arrive after 8:05 a.m. should check in at the school office. Students must be walked into the school office by a parent or guardian and signed in with school personnel.

Attendance

An important part of being successful in school is regular and punctual attendance. All of the students are expected to be in attendance each day unless they are ill or a family emergency arises. We realize that there will be times when a student may be late, but please avoid this whenever possible. Tardiness interrupts your child's and their classmate's instructional time. Your child may miss important information about the day or upcoming events.

Early Release of Students

All students who leave school before the end of the regular school day must be signed out with school personnel by a parent or guardian.

Snack/Lunch

All students are to bring their drinks, snack and lunch to school every day, unless otherwise notified. Healthy snacks are encouraged.

Recess

The Sagaponack Common School recognizes the physical, mental, social, behavioral and academic benefits of outdoor recess. Therefore, Sagaponack School students are given the opportunity to play outside whenever possible. Temperatures above 25 degrees (including the wind chill), snowfall, and light precipitation are not considered impediments to outdoor recess. Children should come to school appropriately dressed for outside play, year-round. If a parent prefers that their child not spend recess outside, they should send a note to the school requesting that the child be kept indoors during that period of time. Generally speaking, however, a child who is well enough to come to school is considered well enough to play outside.

Health Office

There is a full-time nurse on duty one day per week. If a student becomes sick or injured, the nurse or school staff member will call a parent or guardian if the student should go home.

Medication

Students may not give themselves their own medication. Parents will be required to administer their child's medications.

Report Cards and Progress Reports

Report cards are issued four times during the academic year: November, January, April, and June. Information regarding academic progress, personal development, life-long habits for learning and attendance are reported. Parent Teacher Conferences are held in November and April. Additional conferences may be scheduled if needed.

Homework

Homework is assigned by the teacher and is completed after school. It should be a review of what was already taught in school and expand on a student's school experience. Homework is considered an important part of education. Students are encouraged to set aside regular time to complete their homework. Completing and returning homework assignments are the student's responsibility.

Visitors

Visitors of the Sagaponack Common School District must enter the building through the main office door and sign in with school personnel.

Safety Drills

Throughout the school year students practice several different types of safety drills. These include bus evacuation drills, fire drills, lock-down drills and "Emergency Go Home" drills.

Bus Safety Drill – The children are instructed about bus rules and procedures and practice evacuation of the bus through the emergency exits. Information about location and use of the portable fire extinguisher and two-way radio are included in the discussion.

Fire Drill – Students are required to be silent during a fire drill. The reason is to

assure that any emergency instructions from school officials or fire fighters can be heard accurately. Students exit the building using the designated route and remain with the class and teacher until an all-clear signal is given. Teachers will take attendance when the class is in a safe area and report attendance to the Head Teacher.

Lock-Down Drill – This is a drill for occasions when it would be safest to have students and staff remain in the school. The teachers move the students to an area away from the windows and doorways. Shades are drawn and attendance is taken. The children will participate in quiet activities until an all-clear signal is given.

Emergency Go Home Drill – This drill is for occasions when it is safest for students and teachers to evacuate the school building. Teachers and students will relocate to the Sagaponack Post Office. Parents will be called, utilizing our Emergency Phone Chain. Parents will retrieve their children at the Sagaponack Post Office.
